RAZOR T 2

RAZOR T 2

The Razor T2 sets the standard for innovation in small format printing presses. It is a 2-color semi-automatic press with 2 pallets and a flash dryer. This makes the press extremely versatile by either having 2 single color jobs or 1 double color job. It's ideal for applications like corporate printing, paper bags, non-woven bags, cotton bags, jute & garments.

Standard features include independent squeegee and floodbar pressure controls, a 3-point off-contact system, a footswitch for easy operation, caster wheels for easy mobility and a touchscreen control panel.
